Important Information

The Board has decided to proceed with the merger by absorption of a number of Funds within the Company into other funds of the Company, as further listed above (each transaction being referred to herein after as a “**Merger**”), in accordance with article 1(20)(a) of the law of 17 December 2010 on undertakings for collective investment, article 22 of the articles of incorporation of the Company (the “**Articles**”) and with the terms set out in the **Prospectus**.

These changes are part of a programme to ensure the Fidelity Funds range remains focused on the needs of our clients and aims to help clients achieve their goals. This programme is increasing the number of income solutions, sustainability products, absolute and total return products and investment themes while focusing the broader range on clear objectives in key market segments. These changes aim to make Fidelity Funds range more effective for clients and represent a significant investment to improve our offering.

The Mergers will be binding on all the shareholders of the Merging Funds who have not exercised their right to request the redemption or switch of their shares, as set out below.

The Mergers have been approved by the Commission de Surveillance du Secteur Financier (the “**CSSF**”).

This notice describes the implications of the contemplated Mergers.

1. Key timing aspects related to the Mergers

Merger		Absorbed Fund	Receiving Fund	Merging Funds	
Absorbed Fund	Receiving Fund	Cut-Off Date: for subscription, redemption/ switch (see Point 1 below)	Cut-Off Date for free redemption/ switch out of Fund (see Point 2 below)	Dates of the NAV used for Exchange Ratio Calculation	Effective Date of the Merger
Fidelity Funds — Fidelity Patrimoine	Fidelity Funds — Global Multi Asset Income Fund	12/11/2021	12/11/2021	19/11/2021	22/11/2021
Fidelity Funds — Fidelity Sélection Internationale	Fidelity Funds — Sustainable Global Equity Fund	10/09/2021	10/09/2021	17/09/2021	20/09/2021
Fidelity Funds — Emerging Markets Inflation-linked Bond Fund	Fidelity Funds — Emerging Market Local Currency Debt Fund	10/09/2021	10/09/2021	17/09/2021	20/09/2021

In order to implement the procedures required for the implementation of each Merger in an orderly and timely manner, the Board has decided that:

- Shareholders of the Absorbed Fund are entitled to subscribe, redeem or switch in/out their shares until five (5) business days prior to the Effective Date. Redemptions and switches out will be free of redemption/switch fee until the Cut-Off Date, as indicated above. Any subscriptions or switches into the Absorbed Fund will incur the usual charges; and
- Shareholders of the Receiving Fund are entitled to redeem or switch their shares out of the Receiving Fund without redemption or switch fee until the Cut-Off Date, indicated above. Thereafter the usual redemption or switch fees will apply. Any subscriptions or switches into the Receiving Fund will incur the usual charges.

2. Impact of the Mergers on shareholders of the Absorbed Funds

Shareholders of the Absorbed Funds who do not agree with the relevant Merger have the right to request the redemption or, where possible, the switch of their shares at the applicable net asset value, free of redemption and switch fee until the Cut-Off Date set out in the table in section 1.

Upon implementation of each Merger, shareholders of each Absorbed Fund will become shareholders of the relevant Receiving Fund, as further detailed above. Each Absorbed Fund shall be dissolved without liquidation on the relevant Effective Date. Shareholders should note that there are differences between the characteristics of the Merging Funds.

Upon the Effective Date, shareholders of each Absorbed Fund may receive shares in the Receiving Fund with characteristics differing from those of the shares they currently hold in the Absorbed Fund as further detailed in the Appendix at the end of this letter.

With respect to all Mergers, shareholders of the Absorbed Fund will acquire the same rights as shareholders of the Receiving Fund from the relevant Effective Date and will thus participate in any increase in the net asset value of the Receiving Fund going forward.

No subscription fee will be levied within the Absorbed Fund as a result of the Merger.

2.1 Portfolio Rebalancing

To facilitate the Merger, the portfolio of each Absorbed Fund will be rebalanced where possible ahead of the Merger. As a result, it is intended that the portfolio of each Absorbed Fund will be aligned with the investment objective of the Receiving Fund prior to the relevant Effective Date.

In this context, Shareholders should note that the portfolio of each Absorbed Fund may not be exposed to the strategy of the Absorbed Fund set out in Section 1.4 'Investment Policies and Objectives' of the Prospectus prior to the Effective Date.

2.2 Dealing Cut-Off of the Absorbed Fund

In order to implement the procedures required for the implementation of the Mergers in an orderly and timely manner, the Board has decided that for each Merger, subscriptions, redemptions and switches in/out of shares of the Absorbed Fund will no longer be accepted or processed for a period of five (5) business days before the relevant Effective Date. Shareholders of the Absorbed Fund may deal in their newly issued Shares in the Receiving Fund from the open of business on the Effective Date.

2.3 Exchange Ratio

For each Merger, as of their Effective Date, Shareholders of the Absorbed Fund will automatically be issued, in exchange for their shares in the relevant Absorbed Fund(s), a number of shares of the relevant class of shares of the Receiving Fund(s) (as outlined in the table below) equivalent to:

the number of shares held in the class of shares of the Absorbed Fund multiplied by the relevant exchange ratio which shall be calculated for each class of shares.

The exchange ratio will be calculated by dividing the net asset value per share of the relevant class of shares of the Absorbed Fund by the net asset value per share of the relevant class of shares of the Receiving Fund as at the last business day immediately preceding the Effective Date as set out in section 1 above.

For the purpose of calculating the relevant share exchange ratios, the rules laid down in the Articles and the Prospectus for the calculation of the net asset value will apply to determine the value of the assets and liabilities of the Merging Funds.

Since the reference currency of the merging classes of shares of the Absorbed Fund and the Receiving Fund is the same, no exchange rate will need to be applied in order to calculate the number of shares of the Receiving Fund to be issued on their relevant Effective Date in exchange for such existing shares of the Absorbed Fund.

2.4 Confirmation of Number of Receiving Fund Shares following the Mergers

With respect to all Mergers, shareholders in the Absorbed Fund will either receive a notification confirming the number of shares of the corresponding class of shares of the Receiving Fund they will be holding after the Merger, or they can check these details on their next Statement & Valuation or via their online Fidelity Account.

3. Impact of the Merger on shareholders of the Receiving Funds

Shareholders of the Receiving Funds who do not agree with the relevant Merger have the right to request the redemption or, where possible, the switch of their shares at the applicable net asset value, free of redemption/switch fee until the Cut-Off Date set-out in the table in section 1.

Subscriptions for, or switch into/out, and redemptions of, shares of each Receiving Fund will not be suspended.

Upon implementation of the Mergers, shareholders in each Receiving Fund will continue to hold the same shares in the relevant Receiving Fund as before and there will be no change in the rights attached to such shares. The implementation of the Merger will not affect the fee structure of the Receiving Fund.

Each Merger will not have any impact on the investment policy of the relevant Receiving Fund.

Refer to the Appendix at the end of this letter for further information.

4. Comparison of the key features of the Merging Funds

The Merging Funds are funds of the same entity and therefore will benefit from equivalent investor protections and rights.

Shareholders should note that there are some differences between the characteristics of the Merging Funds. For further details please refer to the Appendix at the end of this letter.

Shareholders of the Absorbed Fund are also invited to carefully read the sample KIID of the Receiving Fund, attached hereto as part of the Appendix, before taking any decision in relation to the Merger.

For further details on distribution policy, fees and expenses, subscription, redemption and switch of shares, minimum investment and subsequent investment, and holding requirements of the Absorbed Fund and the Receiving Fund please see the Prospectus.

5. Costs of the Merger

FIL Fund Management Limited, the Investment Manager of the Company will bear the legal, advisory, audit and administrative costs and expenses associated with the preparation and completion of the Mergers.

6. Taxation

The Mergers may impact your tax situation. Shareholders of the Merging Funds are advised to consult their own professional advisers as to the tax implications of the Merger under the laws of the countries of their nationality, residence, domicile or incorporation.

7. Additional information

7.1 Merger reports

A copy of the report of the Auditor will be made available upon request and free of charge to the shareholders of the Merging Funds and to the CSSF.
